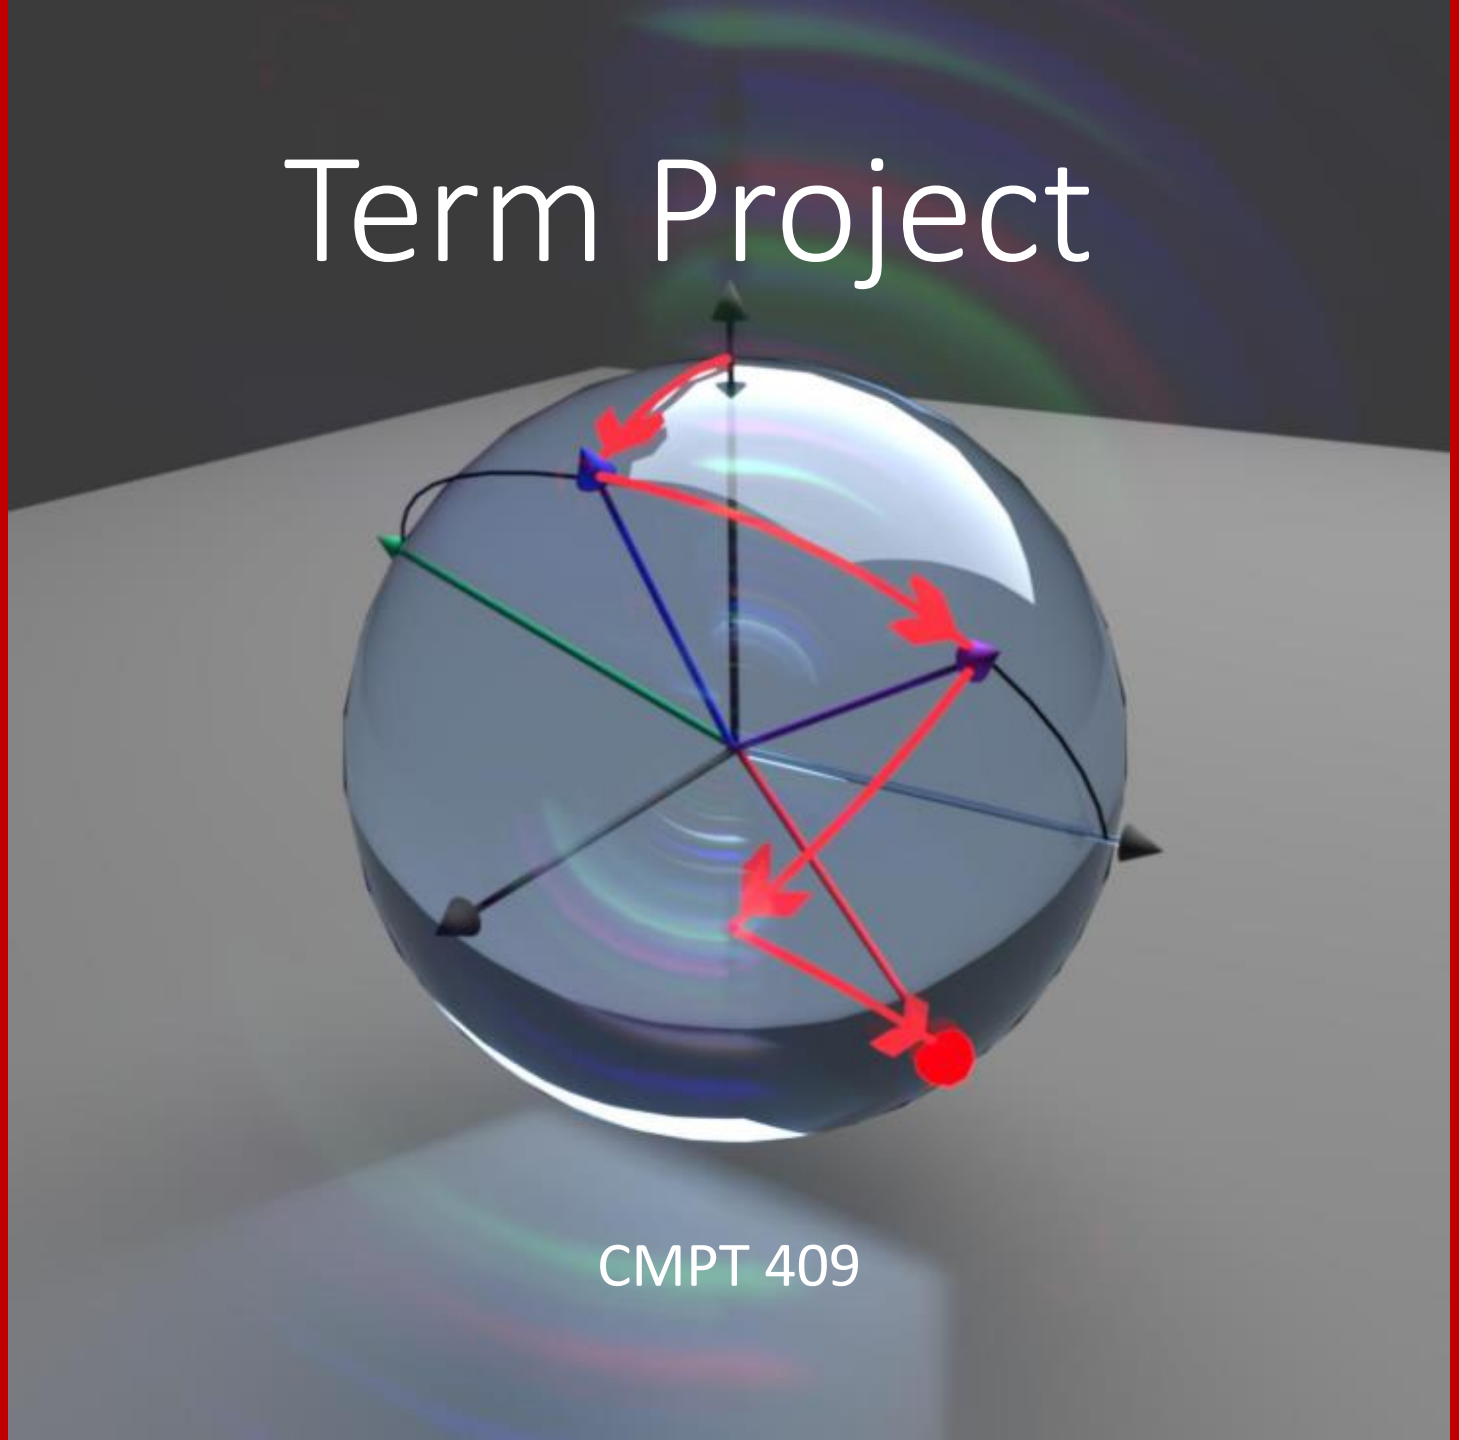
Term Project



CMPT 409

GRADING

Assignments	15%
Term Project (programming)	20%
Midterm (TBA)	25%
Final (TBA)	40%

Organize yourselves into teams of roughly five (5) individuals using DISCORD. Begin to choose a topic starting no later than week 3, to be finalized at the end of week 4 by approval from your instructor. A great starting point is here: https://qosf.org/project_list/

Task

- Your topic should be approved by now.
- You are to implement the project with one deliverable:
  - A ten minute presentation within the last two weeks of class.
- Guidelines for the presentation are as follows:
  - 3 points for originality of the work.
  - 3 points for quality of presentation.
  - 2 points for not exceeding the ten-minute time-limit.
  - 2 points for Q&A.
